This is a sample document used for Presentation for <u>TabVision.ai</u>

The above is a sample logo. One more logo for surety:

TabVision.ai uses multiple technologies to redact logo and to perform tabular data extraction and training of qa bot.

First Name	Last Name	Roll Number	Capstone Grade
Sajeev	Yadav	102016073	A
Aaditya	Bhatnagar	102003267	A
Arjun	Rai	102003264	A
Prakhar	Dhama	102016072	A
Vishal	Sehgal	102003265	A

The above table is a normal table in pdf.

TabVision.ai finds the images of table from the pdf and then perform table detection, table structure recognition, table extraction and then table qa bot usage for creation of the chatbot.
Just another logo for check:
